Hi Ex. 4 - CBI

Well... the last two data packages (minus HW-7 and HW-53) were provided to residents. So..... would you please revise the compilation to include all 61 locations. Please note that we would like you to include a note (maybe in the title) to note: \*See end of document for report key.

PLEASE DO NOT make the compilation public yet.

Thanks - Kelley

Kelley,

This link can be used to go to the updated report.

Kelley,

Here is the direct link for the compilation report for all 5 weeks minus HW07 and HW53.
